Mediums and Support Products

All Purpose Sealer

For surface preparation and to provide maximum adhesion of paint to surface. May be used alone or mixed with paint to provide a one-step preparation to seal any surface.

Product Size	Code
60ml Bottle	JS70090
250ml Bottle	JS70120
1 Lt Bottle	JS70150

Clear Glaze Medium

A light sealer for surface preparation or for application between layers as a barrier coat during painting. Can also be used as a medium for glazing and floating colour.

Product Size	Code
60ml Bottle	JS70210
250ml Bottle	JS70240

Crackle Medium

Create a fine crackle pattern over a basecoat colour or a completed painting. Crackle pattern will vary depending on the thickness of the uncured base colour and application of the Crackle Medium.

Product Size	Code
60ml Bottle	JS70360
250ml Bottle	JS70390

Décor Crackle

A sandwich or layering crackle to create bold crackle effects allowing the basecoat to show through the topcoat.

Product Size	Code
60ml Bottle	JS70540
250ml Bottle	JS70570

Decoupage Varnish

A heavy bodied formula for a thick lacquer-like coating especially formulated for decoupage artists to hide cut edges. 8 -10 coats is equivalent to 35-40 coats of thinner varnishes.

Product Size	Code
60ml Bottle	JS70720
250ml Bottle	JS70750

Brush Soap and Conditioner

A superb soap for cleaning and maintaining fine natural or synthetic fibre brushes. Returns essential oils to the hair and bristle so elasticity is maintained.

60ml Bottle	JS70180
250ml Bottle	JS70185

JO SONJA'S® Decorative Painting System

Flow Medium

Use to thin colours without losing their intensity or adhesive properties in techniques from basecoating to linework. Also suitable as a light sealer.

Product Size	Code
60ml Bottle	JS71020
250ml Bottle	JS71050

Gel Retarder

Delays the drying time of paint without thinning it, allowing for the blendability of oils with the ease of acrylics.

Product Size	Code
60ml Bottle	JS71170
250ml Bottle	JS71200

Gesso

A flexible "free flow" acrylic ground with a smooth to medium grit content that provides a 'tooth' on which to paint.

Product Size	Code
250ml Jar, White	JS71320
250ml Jar, Black	JS71440

Glass and Tile Painting System

A two-part system for painting on glass and glazed ceramics. The Primer (Part A) is used to prepare the surface and the Medium (Part B) is mixed with the paint for painting the design and for sealing the finished design.
