

CHROMA'S JO SONJA®

FACT SHEET

Jo Sonja's Gesso for Preparation

- ✓ Use as a primer for wood, canvas and metal
- ✓ Provides a smooth fine-grit finish with maximum 'tooth'
- ✓ May be thinned with Flow Medium
- ✓ Available in black and white

Directions:

- Apply directly to surface using a clean dry brush, roller or air brush. (For airbrushing, thin **Gesso** with **Flow Medium** starting at 1:1 ratio, adding **Flow Medium** until desired viscosity is reached.)
- Apply undiluted to stretched unprimed canvas. Apply subsequent coats as soon as previous coats are dry to the touch. May be sanded when dry for a smoother surface.
- Colours may be altered using **Jo Sonja's Artists' or Background Colours**. Add in small amounts to tint as desired.
- Do not mix with oil based products.
