

PROMOTE YOURSELF ONLINE

MAKE CHROMAONLINE.COM WORK FOR YOU!

As a Chroma stockist you are invited to add, or edit, your data in our **Stockist Database**. Customers who are looking for a supplier can do a **Chroma Stockist Search** and your information will be available to them.

Step 1 - Register

You must first create a **chromaonline Account** which will register you for access to various areas of the site including the Stockist Database. You will then receive a confirmation email containing a link. Clicking on this link will take you to the **Activation Page** which activates your account. If the link does not work please copy and paste it into your web browser.

Note. Some email software will identify this message as junk email so please check your junk mail.

Step 2 - Check to see if you are already listed

Go to **www.chromaonline.com**, then click on **Search Our Stockist Database** which is near the centre of the page. Find your listing/s by filling in the relevant search criteria for your shop. If you find your business is listed, note the **ID** number/s found in the left hand column. If you are not listed please skip to Step 4 to add your business details to the database.

Step 3 - Email Chroma

If your business is listed please send an email to support@chromaonline.com which includes the email address that you registered with and all of the stockist **ID** numbers for your listings. We will then link the listings to your chromaonline account and you will be able to edit them.

Step 4 - Change details for an existing listing or add a new listing

From any page of **www.chromaonline.com** select **Stockist** from the black menu bar and then the **Add/Edit** option. Alternatively you can click the **Add/Edit** button on the **Stockist Search** page.

To add a new listing

From the **Add/Edit Stockist** page click on the **Add New** button and fill out the **Add New Stockist** form. You will need to list your country, state, company name and address, post code, phone number and email address. Identify whether you are: a **Retailer** - online, store or mail order catalogue; or a **Distributor** - wholesale or school. Then list the Chroma product ranges you supply. **Note.** Not every Chroma brand listed is sold in every country. Optional information: fax number, web address and company logo. (Please keep logos to a maximum of 200 x 200 pixels.)

Once all of the above information is correct click on **Submit**.

To change details for an existing listing

From the **Add/Edit Stockist** page click the **Edit** button (pencil icon) next to the listing that you want to edit. On the **Edit** page you can change any of the details entered previously.

If you would like to join our mailing list to receive our bi-monthly newsletter Chromazone, please contact our Australian office via email: marketing@chromaonline.com

Please allow up to 10 working days for any new stockists or changes to be checked and approved.

CHROMA

It's all about the paint.
